

ATLANTIS GOZO TEK Prices 2024

Courses

Price includes road transport, tank rental (twinset / sidemount cylinders & stages), air, oxygen, trimix, and nitrox fills, other equipment, eLearning, and certification fee.

TDI Advanced Nitrox Diver	€410
TDI Decompression Procedures	€410
TDI Adv. Nitrox + Deco. Procedures (ANDP)	€660
TDI Helitrox Diver	€510
TDI Advanced Nitrox + TDI Helitrox	€760
TDI ANDP + TDI Helitrox	€1010
TDI Extended Range Diver	€500
TDI Trimix Diver	€870

TDI Trimix Diver (from TDI Extended Range Diver)	€555
TDI Trimix 75 Diver	€610
TDI Advanced Trimix Diver	€2250
TDI Technical Diver Propulsion Vehicle Diver	€250

BSAC Accelerated Decompression Procedures	€385
BSAC Explorer Mixed Gas Diver	€760
BSAC Advanced Mixed Gas	€1680

Guided TEK Diving

€65.00 per person per dive

Includes road transport, tank rental (twinset / sidemount cylinders & stages), air, oxygen, and nitrox fills.

Does not include helium. The helium costs for the guide will be divided between the number of TEK divers on the dive.

Boat charters with platform lift are available. Prices vary depending on distance.

Gas Filling

	2L	3L	5.6L	7L	11.1L
Oxygen	€4.50	€5.50	€7.00	€9.00	€11.00
EANx 80			€5.50	€8.00	€9.50
EANx 50			€4.50	€6.00	€7.50
EANx 40			€4.00	€5.00	€6.50

- All gases are boosted to 225 BAR
- Air fills cost €2.50 per tank
- Helium costs 9 cents per litre
- Any blend is possible. It is important to make your blend order one day in advance.

Equipment Rental

The cost of equipment and cylinder rental is per day and is added to the cost of gas fills.

All tanks are O₂ clean and must always be filled at our dive base.

07L Steel Twinset	€13.00
10L Steel Twinset / Sidemount Set	€14.00
12L Steel Twinset / Sidemount Set	€15.00
11.1L / 80cuft Aluminium Sidemount Set	€15.00
02L / 03L Steel Cylinder	€5.00
5.6L / 40cuft Stage Aluminium Cylinder	€6.50
07L Stage Aluminium Cylinder	€7.00
11.1L / 80cuft Stage Aluminium Cylinder	€8.00
0.85L Drysuit Inflation Aluminium Cylinder	€3.00

Diver Propulsion Vehicle (DPV)	€40.00
Twinset / Sidemount Wing	€6.00
Harness & Backplate	€3.00
Stage Regulator	€4.00
Twinset Regulators Set	€9.00
Sidemount Regulators Set	€9.00
Reel	€3.00
DSMB	€2.00
Stage Rigging	FREE

Rebreathers

CCR divers have access to the Rebreathers' Corner, a large area at our base specifically dedicated to CCRs. This area includes all the necessary amenities, including work benches, power charging points, washing facilities, tools, etc....

Sofnolime '797' grade is available at a cost of €8.50 per kilo.

Diluent Cylinders

2L steel with inline rebreather valve
2L steel with axial valve
3L steel with inline rebreather valve
3L steel with lateral valve

Oxygen Cylinders

2L steel with inline rebreather valve
2L steel with axial valve
3L steel with inline rebreather valve (DIN & M26)
3L steel with lateral valve
